Tubby, the Tuba, a half hour mini-ballet will be presented by the Ballet Teen Troupe under the direction of Susan Farrar this Saturday at Gould Academy. There will be two performances, one at two and the last at three o'clock in the afternoon.

Tubby, the Tuba is the story of an orchestra and how it works together to make beautiful music. The director who releases with them every day is played by Cathy O'Donnell. Tubby, the Tuba, (Paula Belanger) is tired of just playing 'oompa oompa' and decides to dance with the little Tuna (Erin Dickson) much to the chagrin of the Violins, (Sheri Angeline, Kara Flynn, Mary MacKay and Paula Mills). "She will disgrace us!" they said, and quivered with indignation! The Woodwinds, (Faith Morgan, Betsy Mills, Debby Irons) along with the Brass, (Kelly Flynn, Beth deFrees, continued on Page Five

HIGH BLOOD PRESSURE SCREENING TO BE HELD FRIDAY, DEC. 12

Last spring about 500 area residents were screened for high blood pressure through a program offered by the Health Information Forum of the Rumford Community Hospital. Of the 500 people who took part in the screening, approximately 25% were found to have high blood pressure.

Because of the favorable response to this program and because of the number of cases of high blood pressure detected, the Health Information Forum has decided to offer a follow-up clinic to be held in the function room of the Bethel Savings Bank on Friday, Dec. 12, from 11 a. m. - 1 p. m. and 4-6 p. m. Volunteers will be Micheline Roy, Sue O'Donnell, Nellie Frankevicz and Jody Carter.

If you wish to have your blood pressure re-checked, or if you missed having it taken last spring, please come and have it done on Friday.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

Any resident of Bethel of voting age interested in being considered for appointment to the Budget Committee or as a member of the Water District Trustees should leave their name at the Town Office by Dec. 22. In order to be considered for the Water District Trustees a person must be a customer of the utility.

The Selectmen at their Dec. 8 meeting discussed the usage of salt for snow removal purposes. It was determined that the possibility of using a hopper sander for salting purposes could produce a saving, as the flow of salt can be more accurately regulated as compared to the sanders and spreaders presently used. The road foreman is to investigate the various types of spreaders available, find out their capabilities and report to the Dec. 22 meeting of the Selectmen.

Robert Crane asked the Selectmen to have the newly constructed streets in his West Bethel project plowed this winter for which he would reimburse the town. This was approved by the selectmen and a minimum price per storm determined. Another reason for approving the request is to determine how the new street will stand up under winter plowing and to observe if any drainage problems occur during the spring runoff as the town will be asked to accept the street as a public way at the annual town meeting.

The question of providing service by the town on plugged sewer service lines from the house to the main in the street was discussed. The Town Manager was instructed to inquire as to how other communities handle the problem.

All poll taxes remaining unpaid for the years 1964 through 1972 were written off as uncollectable, amounting to \$81. Personal property taxes totaling \$372.90 for the years 1966 through 1969 inclusive were abated due to the statute of limitations having expired, which means no legal action can be employed. The Town Manager was instructed to write to all taxpayers who owe personal property taxes for the years 1970 through 1972.

1976 Hunting, Fishing and Combination licenses are available. Also, 1976 dog licenses are available from town clerk, Merton Brown.

Miracles Do Happen

Last summer on July 26 Mr. and Mrs. Clifford Cole and family, Kelly Cole, went for a ride with their daughter, Sandra, and husband. That morning before they left one of Dan Cole's black

cats was out in the garden. But when they returned home the cat was gone. Thinking he was down to the barn, nothing was said. A few days went by then a few weeks. No Herkie anywhere.

Then one day in August, Mary Cole, heard that a black cat had been seen in Hastings Campground. A woman who had been camping there fed him until she left. Then in September a neighbor saw him at the second swimming hole on Wild River.

We lost track of the cat's whereabouts until he was spotted

at Evan's Notch Lodge. He was seen there for a few days and disappeared again. We had lost all hope of seeing Herkie again by this time.

On Friday, Dec. 5 a neighbor was crossing the bridge to the North Road when she saw the same black cat. Hopes grew again. Then as if a miracle happened: Herkie came back on Sunday, Dec. 7. The same lovable black cat.

West Bethel School Lights
 Installed Nov. 1979

West Bethel, Nov. 26—On Friday evening, the pupils of the grammar and primary schools gave an entertainment at the schoolhouse. This was given to present the electric lights, which the children have earned, to the town. The building was decorated with drawings done by the pupils. One special group of paintings done by Arthur Gilbert was of special interest. Candy and popcorn were sold at booths attractively decorated. \$10 was cleared which will be used to help pay for the lights.

The lights are well arranged so that the building is adequately lighted. Besides the large lights in the room there are outlets in each room making a desk lamp at the teacher's desk possible, also a porch light. The pupils, through the West Bethel School Improvement League, plan to entirely pay for the lights, this school year.

After a program consisting of songs, recitations and compositions, a composition was read by Marguerite Brooks entitled "How we earned our lights." The president of the School League, Albert Colby, made the presentation speech. The gift of the lights was accepted by Mr. Bowdoin, superintendent of schools.

PINEWOOD DERBY RACES

Pack 506 held their monthly Pack Meeting at the Savings Bank on Tuesday, Dec. 9, at 7 p. m. Due to slippery driving conditions, attendance of Cubs and parents was not as large as usual. Those attending, however, received the awards they had earned in the past month. Sang a Christmas Carol. All Cubs received, as a Christmas gift from the Pack, their Pinewood Derby Instructions and Grand Prix Racer to assemble and customize for the run-off on Jan. 13. On that date, the Derby Race Track will be set up at the Williamingham Gym (Gould), and all cars will be surveyed for weight and design specifications prior to race assignments. Each entry will be involved in several heats to ensure that each Cub receives a fair chance. Cars will also be judged on superior design. In addition to a prize for the fastest car. The four fastest cars and the winner for design, qualify for the District Derby Run-Off in February. This activity is always fun for Cubs and Dads.

STATE POLICE WARN FOLLOW AT A SAFE DISTANCE
Following other vehicles at a safe distance is one important means of avoiding rear-end collisions, said the Maine State Police recently.

"On snow-packed or ice-glazed roads, the wisdom of this rule is underscored by the fact that the distance needed for stopping may be from three to twelve times that required on dry pavement," said Col. Donald E. Nichols, Chief of the Maine State Police.

Far too many motorists maintain too short an interval between moving vehicles. As long as the leading vehicle maintains his pace, there is usually no trouble. However, if the motorists ahead finds it necessary to brake quickly, the driver following him may not be able to reduce his speed sufficiently to avoid a rear-end collision, said Col. Nichols.

During the winter months, the speeds used on dry summertime pavement are too fast for winter roads—even when a vehicle's brakes and tires are in A-O-K condition, and the driver utilizes snow tires or tire chains, the Maine State Police Chief said.

Point to Ponder
It is a general popular error to imagine the loudest complainers for the public to be the most anxious for its welfare.

Public Warned of "ADVANCE FEE" OPERATORS
The State of Maine Board of Real Estate Brokers, and Salesmen (new name for Maine Real Estate Commission) has been advised of the possible revival of advance fee operations, which has previously been termed a "racket" by government officials during the "50's" and "60's". "Advance fee" operators contact sellers advising of an extensive listing of potential buyers and promising national exposure for the sale of small businesses and sometimes residential property. Following the description of illusory benefits the operator asks for an advance fee in order to furnish buyers or advertising. If the operator truly has a service to offer a crime does not necessarily occur. However, as previously experienced by other states, the actual service was often non-existent or negligible. This being the case possible fraud is involved.

Strict enforcement of the laws caused the practice of illegal "advance fee" operating to become nearly extinct. The real estate industry today is still trying to erase industry image created by the so called "rackets". Therefore, the Board requests that each licensee and consumer keep this office informed of local occurrences resembling the aforementioned "advance fee" operations. Indicated violations will be investigated and hopefully illegal operations will be terminated before the public and the industry experience the ill effects of a few unscrupulous persons.

Letters to the Editor
Bethel, Maine
Dec. 5, 1975
To the Editor, Bethel Citizen:

Never have I witnessed anything more shocking than the unrestrained attack upon an unsuspecting group of citizens at the M. S. A. D. # 44 Directors meeting held in Andover on Dec. 1.

This group of citizens composed of students, teachers, directors and parents had done nothing but comply with a board request to study the disciplinary situation at Telstar and make recommendations for change and improvement. Their report was thoughtful and well-organized, reflecting much time and effort spent. It was a commendable piece of work presented in a most commendable manner.

The report was no sooner completed than the superintendent, who had evidently received an advance copy and been given time to prepare a response (making his behavior all the more reprehensible), proceeded to tear the report apart almost literally word by word in a highly derogatory and insulting fashion. His allusions to rats in a maze, chickens and pigeons were, at the very least, ill-considered and in poor taste. Everyone who heard the tirade was glued to his seat with amazement, shock or outrage.

I devoutly trust that never again in this district will an harangue of this nature be permitted.

Sincerely,
Frances E. Gunther

Citizens of M. S. A. D. #44:
At the last regular board meeting (Dec. 1), the special committee to investigate the philosophy, discipline, and program at Telstar presented its report to the Board. Action was taken at that time to place the report on the agenda for the meeting of Dec. 15.

During the meeting on Dec. 1, the Superintendent of Schools in M.S.A.D. #44 presented his written rebuttal.

I would like to urge everyone who is interested in the discussions and board action on these matters, to attend the board meeting at Telstar on Dec. 15.

Respectfully,
Christen J. Angevine

Never have I witnessed anything more shocking than the unrestrained attack upon an unsuspecting group of citizens at the M. S. A. D. # 44 Directors meeting held in Andover on Dec. 1.

This group of citizens composed of students, teachers, directors and parents had done nothing but comply with a board request to study the disciplinary situation at Telstar and make recommendations for change and improvement. Their report was thoughtful and well-organized, reflecting much time and effort spent. It was a commendable piece of work presented in a most commendable manner.

The report was no sooner completed than the superintendent, who had evidently received an advance copy and been given time to prepare a response (making his behavior all the more reprehensible), proceeded to tear the report apart almost literally word by word in a highly derogatory and insulting fashion. His allusions to rats in a maze, chickens and pigeons were, at the very least, ill-considered and in poor taste. Everyone who heard the tirade was glued to his seat with amazement, shock or outrage.

I devoutly trust that never again in this district will an harangue of this nature be permitted.

Sincerely,
Frances E. Gunther

Citizens of M. S. A. D. #44:
At the last regular board meeting (Dec. 1), the special committee to investigate the philosophy, discipline, and program at Telstar presented its report to the Board. Action was taken at that time to place the report on the agenda for the meeting of Dec. 15.

During the meeting on Dec. 1, the Superintendent of Schools in M.S.A.D. #44 presented his written rebuttal.

I would like to urge everyone who is interested in the discussions and board action on these matters, to attend the board meeting at Telstar on Dec. 15.

Respectfully,
Christen J. Angevine

MEXICO, 61-59, FOR FIRST
HOOP WIN TUESDAY

Telstar downed visiting Mexico
61-59 in a meeting of Mountain
Valley Conference basketball
clubs Tuesday, an outcome that
left both teams with 1-2 records.
Telstar had to break a tie in the
last 10 seconds and did so as
Matt Bennett sank two free throws
that brought his personal scoring
total of 26 points for the night.
Going 11 out of 22 from the field
and four for four at the free line,
Bennett also had a big night in
rebounding with 14.

Mark Thurlow added 12 as
Mexico's 20. Thurlow had nine
points and Barry Bodwell 12, a
net equalled by the three top
Mexico shooters, Joe Capponi, Dan
Hargreaves and George McCrillis.

Mexico led by one at the period
but Telstar hopped in front by
the half, 30-29. The Bethel cluster
had an 18-14 pull in third period
pointing to go ahead by five and
later held a six-point margin in
the fourth chapter, only to fall
back to a 59-59 tie in the last
minute.

"TUBBY, THE TUBA"

continued from Page One

Evie deFrees) all laugh and are
terribly amused when Tubby at-
tempts to dance with the Tune
with drastic results. Peepo, the
Piccolo (Scott Wight) remains a
friend to Tubby when he is re-
jected by the entire orchestra.
Tubby, glad to have him for a
friend still prefers to be alone
for a while to think things
through.

Tubby walks along to the pond
and sits on a log. Suddenly a big
bull Frog (Rachel Mills) lands
right at his feet. Galloomp, Gal-
loomp, lovely evening, lovely ev-
ening, croaks the Frog. Tubby
just sits there and says nothing.
'Oh well,' says the Frog, 'oh
well, if I'm not wanted--' and he
starts to hop away. 'Don't go,'
says Tubby, 'I didn't mean to be
rude.' 'Oh, that's nothing,' says
the Frog, 'I'm used to that. Every-
one I sing my heart out and do
not anyone listen? No! 'You
sing?' says Tubby. 'Do I sing?'
says the Frog, 'Listen!' and the Frog
sang his funny song to Tubby.

'Why don't you try that on your
orchestra,' says the Frog. 'I just
might do that!' says Tubby and
off he went as happy as a Tuba
can be.

Next day the whole orchestra is
buzzing with excitement over the
arrival of the great Conductor, At-
tina Fidlerissimon (Debby Buck).
Tubby and Peepo arrive just in
time to 'warm up' obviously very
happy about a big secret Tubby
has told Peepo.

The Conductor arrives and is
greeted with great respect by the
entire orchestra. Just as he sig-
nals for them to begin, Tubby
takes over and plays his own

HISTORICAL SOCIETY HOLDS
CHRISTMAS PARTY

The monthly meeting of the
Bethel Historical Society was held
Thursday, Dec. 4, in the meeting
room of the Dr. Moses Mason
House.

Decorations in the room suggest-
ed those of a bygone era and many
of those attending brought toys
and dolls of the same period. Re-
freshments included several
Christmas old favorites of which
the recipes were available for those
wishing them. A series of slides
entitled "Christmas at Williams-
burg" were shown providing in-
sights as to how the holiday might
be celebrated in a more southern
climate as contrasted to New Eng-
land.

Recent visitors to the Moses Ma-
son House were Cub Scouts, Den
1, Pack 568, and Miss Newcomb's
Fourth Grade Class.

Among the latest gifts to the
Society are two issues of "Among
the Clouds," the White Mountain
newspaper published on the sum-
mit of Mt. Washington, donated by
Randy Bennett, of Rumford; one
hand woven blue and white cover-
let for a four poster bed, the gift
of Mrs. Lorrienne Schmidt of
Augusta; a hand painted heart-
shaped Limage pin dish given by
Mrs. Agnes Haines.

Membership renewals are pro-
ceeding at a steady pace. If you
would like to become a new mem-
ber of the Society, please call 824-
2908 for details.

BRASS ENSEMBLE WILL

PERFORM IN BETHEL DEC. 14

On Sunday evening, Dec. 14, the
Gould Academy Guest Artist and
Lecturers Series, with the support
of the Maine State Commission on
the Arts and Humanities, will pre-
sent the Portland Symphony Brass
Ensemble. The concert will begin
at 8:30 in the West Parish Con-
gregational Church in Bethel, and
the public is cordially invited to attend.

The ensemble, composed of six
musicians playing two trumpets,
a horn, a trombone, a euphonium
and a tuba, will present festive
music by various composers. The
Artist series also presented this
week, Maine State Commission on
the Arts and Humanities, a week long
workshop by the Celebration
Mime Theatre from South Paris.

Tune. At first the Violins are af-
raid they will be disgraced but
when the great Conductor comes
off his podium and says to him,
'Tubby, I have never heard a Tu-
ba play a melody before, let us
all hear it. So happy Tubby plays
his own Tune and they all join
in. Suddenly in hops the Bull
Frog! 'Well, we did it!' winks
the Frog, puffing up with pride.
Which only goes to show—you can
do anything if you set your mind
to it!

JACKSON SILVER POST & UNIT NO. 68

Jackson Silver Post & Unit #68, American Legion and Auxiliary, Locke Mills, met in regular sessions, Dec. 4.

Following the opening, the correspondence was read. The 4-H group in Rumford sent a "thank you" for the American flag recently given them, for their meetings.

Plans were completed for the Dec. 16 meeting of Oxford County Council. There will be a Christmas tree and exchange of gifts. Dept. Service Officer Robert Russell of Togus will be the guest speaker and there will be a chance to ask questions.

Comrades Dunham, Smith, Sargent and Cummings acted as bearers for the Horace Hopkins funeral Dec. 1. His flag was folded and presented to the next of kin.

Mrs. Lilla Martin was voted in-

to membership, making the Unit 111%, a goal that every Unit is striving for this year. Welcome Lilla.

There will be a benefit game party Dec. 20 at 2 p. m. to help our Bill Rogers in his campaign for National Commander in 1976.

Dec. 3, District Vice President Sylvia Dunham and her husband, Leland, attended the Franklin County Council in Phillips, in spite of the bad weather.

Sunday, Dec. 7, Pearl Harbor Day, the members of the Post did something very special. They went to Newport, carrying all the necessary material and a flag pole to set up for Mrs. Lester Bickford. His flag was raised and it will be dedicated later. Lester is a Past Commander, who recently passed away.

Next meeting is Jan. 15. Don't forget to help Marion Jordan on the weekly game parties. Friday nights come around pretty fast.

JAY DOWNS TELSTAR 67-55 IN FRIDAY ACTION

The visiting Jay Tigers surged in the fourth quarter last Friday night after Telstar had made it close to notch a 67-55 Mountain Valley Conference triumph. Jay is now 2-0 in the league; the Rebels dropped to 0-2.

Telstar came on in the opening moments of the fourth period to close to four points, 50-46, with three minutes gone. But lefty Steve Ouellette, Jay's leading scorer with 17 points, got a hot hand and the Tigers put it away. Two Rebels fouled out in the game, hurting the team down the stretch.

Rick Cornello followed Ouellette in the scoring column for Jay with 14 points. Forward Mal Bennett canned 17 for the Rebels while center Mark Thurlow contributed 14.

Bethel Head Start North Paris

Christmas is fast approaching. We have been busy here at the Center making special surprises for mummies and daddies. Also to be seen are decorations for our Christmas party. The mothers are all busy with surprises of their own for the children.

This week we started our own star of the week posters again. Alison Chapman started the ball rolling. Alison is four and lives in Bethel. Her mother, Louise, is our community guide. Her father's name is Alan. Alison told us her favorites are: color, pink; food: French fries; T. V. show, Mickey Mouse Club, and her favorite toys are her paper dolls. We will be doing this each week with a different child.

Head Start would like to know if anyone has some baby food jars they would like to donate. We use these quite often for various projects.

Donations have been: three balls of yarn, Gary Savage; Smokey Bear kits, White Mountain National Forest; Box of toys, Mr. and Mrs. Richard McCann and mittens for children's Christmas gifts, Bryant Pond and Bethel Senior Citizens.

Volunteers have been, Linda Haegle, Cathy Littlefield, Candy Bennett, Joyce Hoyt, Sharon Rice and Jean Monzo. Special thanks this week to Jennice Cole.

Hope to see you some day. Our door is always open!

Head Start Menu

The Barretts observed their 48th wedding anniversary Dec. 6. Had beautiful cards and flowers. Trying to catch up with the A. R. Cummings.

Bob Cusson moved the Barretts' mail box across the road so now it is on the same side as the house. After 30 years it seems strange not to cross the road. Hope we use it another 30 years.

The O'Hearns were at Air Force Base, Topsham, Wednesday, Dec. 3 and at Lewiston Dec. 8. The trouble was at the trailer home of Mr. and Mrs. O'Blencs, fighting with the furnace.

Mr. and Mrs. Robert Cusson went to Berlin, N. H. shopping Saturday and Brian stayed with Joe and Eveline.

Joe Barrett enjoyed a ride Monday evening to see the Christmas trees all decorated and lights. Doris Lawrence came for them when it was dark.

Callers at the Lawrences, Mr. and Mrs. Norman Milet, Mr. and Mrs. Dale Coffin, Jeff and Jim, Eva Kennison, John Cox, Carroll Record and Herman Card, Norway.

Monday morning was a good sample of what we may expect soon.

Mrs. Collette Morgan, Corres.
Now I travel colder roads leading into colder regions, for winter time has come to the country, putting a chill into the air. Last week snow was hanging low on each bow in its glory. Today nearly all has vanished and lawns are green again; but for how long?

As I passed the ledges, the trees were caressed by a gentle breeze and rows of icicles made a fringe along the rocks; like countless little jewels sparkling in the light. Nature weaves a jeweled spell all over the open land when the year closes. Sometimes there is sadness when the last page of the calendar appears. Perhaps this is because we are reluctant to let go of the known and to face again the unknown. It's a grand finale of a climb across another hill, to the coming of a brand new year. It weaves a web of times I remember and gratefulness that I am here to see another December.

Walking for a time I then turned left to enter a road once used by loggers. White Birchies clustered by the roadside and throughout the woods. The cloudless sky was almost azure. To feel the cold tingle was to be in winter but to look at the sky was to be in spring.

It was fun to walk out again among the newly revealed secrets

kept hidden all summer long; high rise bird apartments, shiny red berries decorating bushes, and winding, seeking brooks so recently in mossy green beds but now swelling ice-clad shoulders to their banks.

My hike this time was not long but I enjoyed the bright light of sun as it shone on the ice of the pond and to look into the same sky that has been since the beginning. Perhaps the permanence of it is nice to remember. It is always there for us to lift our eyes to see.

On my first home I observed the pond's first freeze-up. The ice is crystal clear, for it froze on a clear night. In most places it's so clear that it doesn't look like ice, but I know it is by the way the sun glints on it and the absence of ripples in the nippy breeze hitting my face. A few more cold nights and it will turn gray, then white. Later it will trap bubbles from water beneath. If I get curious, as I do sometimes, I'll get down and watch them float past, like toy balloons. "Frost Flowers" will appear on the surface, clusters of white, like tiny complex stars flat on the ice.

Thus comes December with shortest days, latest sunrise, and earliest sunsets but beautiful in their colors.

ETHEL SANBORN

Mrs. Ethel Sanborn of Bethel died Sunday night Dec. 7, 1975, at a Rumford nursing home.

She was born at Beverly, Mass., July 8, 1889, the daughter of Elmer and Edith Dale Randall.

Surviving are a daughter, Jeanette Pottsald, Hanover, Mass.; four grandchildren and three great grandchildren.

Funeral services were held at the Greenleaf Funeral Home at 10 o'clock Wednesday morning, Dec. 10. Burial was at the Riverside Cemetery.

M. IVER JOHNSTON

Mrs. Margaret Iver Johnston of Wilson's Mills died late Friday, Dec. 5, 1975 at the Coos County Nursing Home, West Stewartstown, N. H., following a long illness.

She was born Nov. 22, 1895, in Magalloway, the daughter of Peter and Sadie Littlehale. Mrs. Johnston had been a life-long resident of the area.

Surviving is a brother, Gerald Littlehale, Sebasco Estates.

SUDBURY INN TO BE OPEN MONDAYS

The Sudbury Inn will remain open Monday evening for the winter according to John Gasser. "We have installed a color T. V. and the Monday night football game of the week will be featured," Mr. Gasser said. He also stated that while the Dining Room will remain closed on Mondays, sandwiches will be available in the lounge every evening as usual.

The color T. V. is a new addition to the Sudbury Inn and Mrs. Barbara Brown, a friend of the Gassers and former president of the Bethel Chapter of N.O.W., was quoted as saying "It's about time!"

HORIZON GROUP DISCUSSES CITIZEN COMMENTS ON RECREATION SURVEY

If you recall, when town residents were asked if they felt that there exists a need to explore recreational facilities and services available, a whopping 92% replied yes, while only 2% said no, and 6% were unsure. And yet, when asked if specific courses of action should be taken, the affirmative voice of the people dropped slightly, and the uncertain replies rose to as high as 25%.

What could have provoked such a shift? It is our speculation that the question of financing additional activity was a major causative factor. Below are a few of the comments made by respondents.

"Let's not spend money on a recreation center while our expensive schools stand idle all summer."

"The previously mentioned activities (quest, 6, Recreation Survey) should be provided by organizations. There are plenty of groups to provide a diversified log."

"We are tax-burdened enough now! Let's try to make better use of the facilities available in our town."

"I feel school facilities should be more easily available to groups other than students, year round. Also, parks or simply open spaces so that residents of all ages could use some initiative to provide their own recreation."

"I feel we should, as a community, utilize the facilities available at Telstar when not used by students and supplement these when necessary with play areas in the village for small children."

"What about the possibility of a recreation center with a director so that those who can't afford dancing, music, or Scouts would have something to do?"

As you can see, each comment is quite valid. But what will be the deciding factor in determining the direction the town should now take? Should we leave recreational services entirely up to local civic and service organizations? With the growing needs of the townspeople, will this be adequate? Can they, with limited funds, possibly serve everyone?

And should we demand the superintendent of schools (board of directors) to open the doors of Telstar to local citizens? We must remember that Bethel alone does not support the schools entirely. Yards and yards of red tape make it presently impossible to use the schools to their fullest. Unfortunately, but not unsolvable.

And the money available from state and federal agencies: can it be put to use in Bethel? What ways can you think of will make Bethel a better, healthier, more attractive place to live? Only a government sanctioned, coordinating body will be able to take all these ends and tie them into an efficient, nearly self-supporting package of services designed to best meet the needs of the citizenry. That is your! Think about it.

PREVIEW OF BUDGET OF FISCAL YEAR 1977 — M. S. A. D. #44

On Dec. 8, 1975, S. A. D. #44 Superintendent of Schools Basil E. Kinney received from the Department of Educational and Cultural Services a computer print-out (12/05/75) run 1976-77 School Allocation of State and Local Funds. This computation of Unit Allocation to fund Public Schools (LD 1452) at one and the same time provides both the floor and ceiling for Budget Planning in M. S. A. D. #44 for FY '77.

On the same day, Friday, Dec. 19, that M. S. A. D. #44 staff will be engaged in a workshop relating to educational and budget planning for FY '77. Mr. Kinney will be in Augusta responding to the Commissioner of Education's call for a statewide meeting of Superintendents to review and discuss budgets.

A comparison of the "11/07/75 run" the basis of what M. S. A. D. #44 is currently trying to operate under—FY '76—and "12/03/75 run" the basis on which the local District may plan the next year—FY '77—results in some facts which may be of interest:

1. In FY '77 State Dollars will be \$41,724.79 less than those being received in FY '76.

2. The Budget Ceiling (absolute-exhausting 1st maintenance of effort, 2 1/2 mill leeway, and 2nd, maintenance of effort) in FY '77 will be \$37,504.13 higher than the ceiling M. S. A. D. #44 is currently operating under (FY '76).

3. To reach the FY '77 ceiling will require \$70,228.92 more from the local property tax than was authorized in FY '76.

A. The Uniform Tax in FY '76 was computed:	
Mill Rate x Valuation	= Tax
.01325 x \$42,950,000	= 569,087.50
For FY '77 the Uniform Tax is to be computed:	
.01475 x \$42,950,000	= 633,512.50

INCREASE 64,425.00

B. The allowable first maintenance of effort FY '76 was:	66,770.28
The allowable first maintenance of effort for FY '77 is	34,315.94

DECREASE (32,418.34)

C. 2 1/2 Mill Local Leeway FY '76 was:	107,375.00
2 1/2 Mill Local Leeway FY '77 is:	107,375.00

INCREASE-DECREASE 00

D. In FY '76 2nd. maintenance of effort voted	200,500.00
In FY '77 2nd. maintenance of effort allowed	247,222.26

POSSIBLE INCREASE 47,222.26

TOTAL POSSIBLE LOCAL INCREASE 79,228.92

5. \$79,228.92 more of local funds will produce only \$37,504.13 in actual dollars more than was available in FY '76 if all other sources of income remained the same.

A. Bingham Fund FY '76	28,050.00
Bingham Fund FY '77	24,900.00

DECREASE 3,150.00

B. The difference between NOVA reimbursement in FY '77 for expenditures in FY '76 and the expenditure required in FY '77 will result in further decreasing the \$37,504.13 that will be available for M. S. A. D. #44 operations.

CAMPBELL SOUP LABELS

The Ethel Bisbee School needs 8,550 Campbell Soup or Bean Labels. We have 3,750 labels now. We are hoping to get two footballs and a set of Dr. Seuss filmstrips from the Campbell's Labels for Education project. The deadline is Jan. 9, 1976.

Boxes for collection of labels have been put in the following places for your convenience: L&F Country Store (West Bethel), Casco Bank (Bethel), Bethel IGA, Charlie's Beauty Salon, and Crescent Park School. You may also send them in with any student at the Ethel Bisbee School or to me.

I know we can reach our goal. We have in the past. Ask your relatives and friends to help, too! Caroline V. Gould, Chairman
